

Task 4 - Technical Debt Labels

Requirement 9 and Requirement 10 are explicitly labeled Technical Debt.

Requirement	Story	Expected label	Reason
9	Host catalog service in the cloud	technical debt	Infrastructure/cloud hosting work supports the delivery environment and is classified as technical debt for this project.
10	Automate deployments to cloud	technical debt	Deployment automation supports operational maturity and is classified as technical debt for this project.
1-8	Catalog CRUD, like/dislike, list/query product functionality	enhancement	Customer-facing product catalog capabilities are labeled enhancement.

The PDFs are landscape-oriented, keep Product-Owner in every filename, include Written by Brian McCarthy, use light blue table headers with black header text, keep tables below graphics, wrap table cell text, and avoid clipped or overlapping elements.
